Look for different gas credit cards that offer rebates, free gas and merchandise: During the high gas prices times if you are planning on taking a road trip on your car, then you should look at getting a Gas Credit Card that offer rebates. There are many gas companies who offer this Gas Credit Card to their customers throughout the country. Internets is the best way to get more knowledge if you want to receive more information about them. There are many website that will help you find offers for gas companies like Marathon, Conoco, Phillips 66, Citgo and Hess. They will also provide gas credit cards that permit you to buy any brand of gas you wish from any gas station.

With the fluctuating price of gas the cost of gasoline continues to soar. Equation has been changed today. With the Chase Perfect Card MasterCard you can earn rewards everywhere in your country. In fact Chase Perfect Card is one of the gas credit cards that are featured on online sites. You can get a rebate of six percent for the first 90 days, which is good on any gas purchase. You will enjoy a one percent rebate on whatever you buy at restaurants, grocery stores, and clothing retailers when this 90 day period expires. Even you will also receive a three percent rebate at all gas station purchases after the preliminary period. Another benefit of your APR is also fixed at zero percent on any balance you transfer to the cards for as long as nine months. You can get under 14% and will not be charged for any annual fee and this depends on your credit card. By making a minimum of nine purchases for the year you can surrender this annual fee.

On the other hand Hess gas credit cards provide free gas and merchandise at all Hess, Hess Express and Wilco Hess location. During the ninety day introductory period you can get 10% as rebate. You will get a one percent rebate if you will purchase from other gas stations but if you will buy for every Hess purchase you will get net a five percent rebate. Your preliminary APR will be zero balance if you get the Hess platinum gas credit cards which can last up to six months. Even you will not be charged for any yearly fee with this credit card.

A Marathon gas credit card is another big offer to the customers, which has a big ten percent rebate on Marathon Midwest and Southeast gas stations in the first sixty days. Even you will realize a continuous five percent rebate after that. This MasterCard gas credit card will not charge you an annual fee for the first year. You will not be required to pay the usual ninety dollar yearly fee for the succeeding year if you use this credit card for nine purchases for the year. The rate on this card can be as low as 13.99 percent depending on your credit. Even you will benefited with free and zero percent APR on any balance transfers also.
